

# MicroMosaic

## Speaker Menu

For work that holds rigor without losing the human thread

When complex work calls for clarity, context, and craft

### Strategy Data Ecosystems

- *Designing Data Strategy, Not Just Data Systems*
  - Decisions, sequencing, trust at scale.
- *Forming the Party: Designing Data Culture that Sustains the Campaign*
  - Governance that survives real missions.

### Sensemaking The Flame Trilogy

- *Burnout Is a Systems Problem — Living and Working Inside Broken Systems*
  - Protect your flame; change conditions.
- *Unlearning the Wants You Inherited*
  - Passion beneath pressure; reclaim desire.
- *The Work of Integration*
  - Boundaries, rhythm, durable clarity

### Transitions Career & Identity

- *You Finished the PhD. Now What?*
  - Agency, direction, meaning after milestones.

### Agency Blended Cognition

- *The Human Thread When Intelligence Extends Beyond Us*
  - De-catastrophize. Keep standards. Keep self.

### Formats

- Keynotes
- Workshops (half-day / full-day)
- Standalone or series
- Custom facilitation

### Common Series

- **The Flame Trilogy:** Burnout → Unlearning the wants → Integration
- **The Data Campaign:** The Human Thread → Designing Data Strategy → Forming the Party

Sensemaking • Stewardship • Strategy • Story
